Explanation of Patient Financial Responsibility

In order to maintain the lowest possible fee structure, we feel our patient's understanding regarding financial responsibility is imperative. Hopefully, the following information will help you understand the established clinic policies. We encourage you to discuss any comments, questions, or concerns regarding our financial policy with us.

- You must pay any co-pay or deductible at the time of service.
- If you are not insured or on a plan that our clinic does not participate with, you will be expected to provide payment in full at the time of service.
- Your charges will be submitted to your health plan for direct payment to our office.
- If your health plan remits payment to you, please provide payment amount to the clinic along with a copy of the explanation of benefits.
- Your health plan may refuse payment of a claim for any of the following reasons:
 1. Diagnosis is a pre-existing illness which is not covered by your plan.
 2. You have not met your full calendar year deductible.
 3. The type of medical service or diagnosis is not covered by your plan.
 4. The health plan was not in effect at the time of service.
 5. You have other insurance which must be filed first.
 6. We do not participate in your plan or you did not elect our doctor as your PCP.

Please understand that financial responsibility for medical services rests on you, the patient. While we are pleased to be of service by filing your medical insurance for you, we are not responsible for any limitations in coverage. Any verification of benefits provided by your insurance carrier is not considered to be a guarantee of coverage. If your health plan denies a claim for any reason, it is your responsibility as a patient to pay the denied amounts in full.

Our primary mission is to provide you with quality, cost effective, medical care. We strive to continually adapt our policies to the changing way that health care is delivered and financed. We value you as a patient and will work diligently to address all of your medical and financial needs.

I have read and understand the above policies. I understand that: a) I am fully responsible to pay all charges incurred for medical services rendered regardless of insurance coverage and b) Arlington Physicians, P.A. (APPA) is not obligated to process my insurance, but will do so solely as a courtesy to me. In the event of an unpaid bill, I agree to pay APPA all costs and fees incurred to collect the bill. I understand there will be a \$30 charge for returned checks. I hereby authorize APPA to a) furnish all information to insurance companies concerning medical services rendered to me, and b) apply for benefits on my behalf for medical services rendered. I request all such payments be made directly to APPA.
